

What is Title I?

Title I is the nation's largest federal program for schools. It provides funding for increasing student achievement in schools selected on the basis of the economic level of families in a school's attendance area.

The purpose of Title I is to:

- help every child receive a high quality education
- build capacity for family engagement
- provide professional development
- meet the requirements of the "No Child Left Behind" federal mandates

At Liberty Elementary School, Title I funds provide for the Family Reading Experience, staff training on family engagement, extended learning opportunities, and more.

School Family Compact

All parents will be asked to sign a compact. The compact is an agreement between the parents and the school to help ensure each child's academic success. By signing the compact all agree they are going to work together to improve learning. Parents are involved in developing the compact. This compact is required by the Federal Title I guidelines.

An annual Parent Survey is given to all of our families for feedback and suggestions.

Parents are a Critical Part of Our School Team

Parents influence their children's education more than any teacher or school. Family engagement can boost children's achievement. By taking an active role in our school, parents show their children that they are valued and that education is important. Children learn that parents and the school are a team, working together to help them succeed.

Parent / Teacher Conferences

Conferences are one of the most important ways parents and teachers work together as a team. Conferences are a helpful way for parents to share information about their child's special interests. It is also a good time for discussing the child's academic progress and for gaining ideas on how parents best can help their child at home. At Liberty Elementary, we have student led conferences twice a year. However other conferences can be scheduled at the teacher or parent's request. A translator is available upon request.
