## 2019-20 School-Parent Compact

Student: \_\_\_\_\_ Teacher: \_\_\_\_\_

Liberty Elementary School, and the parents of the students participating in activities, services, and programs funded by Title 1, Part A, of the Elementary and Secondary Education Act, agree that this compact outlines how the parents and the entire school staff will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

### School Responsibilities

Liberty Elementary School will:

- Provide high quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards. Teachers will use the most effective research-based strategies to increase student achievement within a positive classroom environment.
- Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement. Specifically, those conferences will be held in the morning from 7:35-8:10 a.m. or in the afternoon from 2:45-3:05 p.m. If these times are inconvenient, parents should call to make other arrangements with the teacher.
- Provide parents with frequent reports on their children's progress. A Home-School correspondence will be sent home frequently for review. The Student Progress Report will be provided to parents quarterly, and an individual student report of performance on the State Assessment will be sent to parents of students in grades 3-5.
- Provide parents reasonable access to staff. Communication between staff and parents is important and expected to insure our children's success. In order to help Liberty Elementary serve parents better, please call 255-7515 for an appointment. Teachers are available for conferences in the morning and/or afternoon. If these times are inconvenient, other arrangements can be made if necessary.
- Provide parents opportunities to volunteer and participate in their child's class and to support classroom activities. Parents should contact the school office and our volunteer coordinator to register.

### Parent Responsibilities

We, as parents, will support our children's learning in the following ways:

- Monitoring daily attendance and arrival time at school.
- Making sure that homework is completed.
- Monitoring television time and content our children watch.
- Attending school functions.
- Communicating with the teacher.
- Showing respect for the school, teacher, and child.
- Staying informed about our children's education and communicating with the school by promptly reading all notices from the school or the school district and responding as appropriate.
- Serving, to the extent possible, on policy advisory groups, such as the School Advisory Council, the Liberty PTO, or other school support or involvement groups.
- Visit the Family Center located at Liberty Elementary School.

***"Where Freedom to Learn Prevails"***

**Student Responsibilities**

**All Students:**

- I try my very best in school and out of school to show what I know.
- I will respect myself and others by following the school rules.

**Kindergarten Students:**

- I will practice my letters and sounds each day.
- I will listen to story or read at home.

**First Grade Students:**

- I will practice my numbers from 0-120 using a 120 chart.
- I will read practice my sight words each day.

**Second Grade Students:**

- I will read my accelerated reader books each night to take an AR test the next day.
- I will practice my math facts using Reflex or flash cards each night.

**Third Grade Students:**

- I will read my accelerated reader books each night to take an AR test the next day.
- I will practice my addition and subtraction or multiplication and division facts each night.
- I will do all of my homework to the best of my ability.

**Fourth Grade Students:**

- I will read my accelerated reader books each night to take an AR test the next day.
- I will practice my multiplication and division facts each night.
- I will do all of my homework to the best of my ability.

**Fifth Grade Students**

- I will read my accelerated reader books each night to take an AR test the next day.
- I will practice my multiplication and division facts each night.
- I will do all of my homework to the best of my ability.
