The Charlotte County School Board strongly recommends that everyone follow the Charlotte County Department of Health's recommendations to keep our students, their families, and our community safe. This includes:

- getting vaccinated
- consistent and correct mask use (multi-layer cloth, surgical or N-95 which covers the mouth and nose)
- physical/social distancing
- handwashing and respiratory etiquette
- staying home when sick and getting tested
- following contact tracing recommendations for isolation or quarantine
- cleaning and disinfecting high touch surfaces
- ventilation

Public health is everyone's responsibility. By working together, we can mitigate the spread of COVID-19 in our schools and community.
