

# FOCUS Parent Portal

All forms will be housed in Parent Portal this year! Please ensure you have a parent portal account. Once you set up your parent portal account you will be able to see your child's teacher (released at the beginning of August) and fill out the forms. This will also give you access to your child's grades for students in K-5 grade.

*If you have not set up your Parent Portal Account please start there.*

To fill out forms:

1. Login to Focus Parent Portal

2. Click on your child's name. Click Form Summary

3. Available forms for your children will appear.
