The Drama Club begins the season with a Haunted House during Homecoming week. Students transform themselves and the auditorium into a frightening nightmare that draws chills and screams out of even the bravest guests. During the winter, we present a drama. This is an opportunity for students to sharpen their acting skills. In the 2015-2016 season, the drama club performed Arthur Miller's *The Crucible*. Spring is the time for music or better yet, musicals. While the PCHS Drama Club has performed many classical musicals over the years, such as *Little Shop of Horrors*, and *The Sound of Music*, the most recent

performance was *A Slice of Life*, a work entirely created by students and faculty that showcased the singing, dancing and comedic talents of not only the students but also a few chosen teachers. In addition to meeting for regular rehearsals, the drama club meets on a biweekly basis.

Thespian Society is an organization designed for students who wish to pursue a career in the performing arts. The society provides opportunities required to compete in both the district individual events and one-act competition. During competition, expect a minimum of 2-3 hours per night plus all day competitions.
