

# Your Name

## My WIGS

I will strive towards ensuring that the library is a student-centered environment that empowers students to become lifelong learners.

I will continue to think positively, remain, focused, and strive for excellence.

I will strive towards self-improvement by being a reflective thinker. I will be thankful for feedback and use it to make myself better.

## My Victories

Bachelors in Elementary Education

Masters in the Science of Learning

Certified Media Specialist

Reading and ESOL Endorsed

Educator For Over Twenty Years

## Your Name's Mission Statement

As Kingsway's media specialist, I will instill a love of reading, inspire life-long learning, and foster independent library use. I will strive to make the library an inviting space where students may acquire knowledge and gain insight; a welcoming haven for both our students and staff, a place where students learn how to be digital safe citizens, a setting that encourages curiosity, and overall a center that helps students find pleasure and knowledge in literature.

**I am Proud to LEAD**
