Dear Students and Parents,

The Code of Student Conduct you are about to read is a very important document. It provides you with an understanding of the rights and responsibilities of all students, the rules relating to daily behavior, and the consequences for violation of those rules. It explains our expectations for student behavior and summarizes school district policies and Florida statutes that relate to student conduct. It is my firm belief that every student is responsible for his/her own behavior and the choices he/she makes.

Please know that the Code of Student Conduct applies uniformly to all students enrolled in our school system during the time school is in session, on School Board owned property at any time, at our bus stops, and during extra-curricular activities regardless of location. Charlotte Technical College and The Academy may adopt policies and procedures, consistent with this document, which reflect the specific needs of its adult and alternative education populations. This code also applies to students who commit felonies off School Board owned property as per Florida statutes.

Having a clear understanding of these important policies and procedures will help students have an outstanding educational experience and will give parents information to reinforce good behavior.

Please read this document carefully and if you have any questions, contact the school or the Director of Student Services at our district office. Our staff is always available to help you with any question or concern.

Have a great year in the Charlotte County Public School system.

Sincerely,

Steve Dionisio
Superintendent of Schools
STUDENT/PARENT ACKNOWLEDGMENT FORM

2018 - 2019

The Code of Student Conduct has been developed to help your child gain the greatest possible benefit from his/her school experiences. This Code of Student Conduct defines the responsibilities and the rights of students attending Charlotte County Public Schools, as well as clearly identifies the consequences for student actions which violate this code.

The school is in need of your help and cooperation. Students, parents, and schools working together can maintain a safe and purposeful atmosphere in the schools where students can learn to their full potential.

Since parents/guardians share responsibility for the actions of their children, they should also become familiar with the rules and expectations described in this handbook. Please read and discuss this important document with your child, then sign this form and return it to your child's school, where it will be kept on file.

I also agree to the rules and terms of network and internet use as outlined in the agreement in this Code of Student Conduct.

Parent/Guardian Signature ___________________________ Date ________________

Note: Failure to return this acknowledgment form will not release a student or the parents/guardians of the student from responsibility for knowledge of the contents of the Code of Student Conduct and will not excuse noncompliance with the Code of Student Conduct by the student.

STUDENT RIGHTS AND RESPONSIBILITIES

Students attending the Charlotte County Public Schools have the right to a free and appropriate education which includes the right to equal educational opportunities without regard to race, national origin, sex, handicap, or marital status. In addition, students have the following rights:

1. To learn in a safe and orderly environment;

3. To express opinions and personal points of view;
4. To peaceably assemble;
5. To be secure in their personal privacy;
6. To limit access to their student records;
7. To be informed of the rules of conduct;
8. To have reasonable and fair treatment; and
9. The right to due process with regard to suspension and expulsion.
A. A student will be given both written notice of his/her suspension and the reasons along with the opportunity to appear and respond to the charges against him/her prior to the suspension. An appeal may be addressed to the principal whose decision will be final.

B. A student and his/her parent or guardian must be given written notice of the intention to expel and the reasons with an opportunity to appear with a representative before the Superintendent/designee to answer the charges.

These rights and responsibilities are not absolute and may be limited when necessary, at the discretion of the principal, to prevent the disruption of the orderly operation of the school.

Along with these rights, students have the following responsibilities:

1. To attend school regularly;
2. To treat others with respect;
3. To treat school property and the property of others with respect;
4. To respect the privacy of others;
5. To have in their possession only those items allowed by law and/or School Board rules or policies;

7. To come to class with all necessary materials and be prepared to learn.

PROHIBITION OF SEXUAL HARASSMENT

The School Board prohibits harassment of any student on the basis of race, color, national origin, sex, sexual orientation, handicap, or marital status.

Specific Prohibition
It is sexual harassment for a student to subject another student, employee or non-employee volunteer to, or be the subject of, any unwelcome conduct of a sexual nature from another student, employee, or non-employee volunteer. Students who engage in such conduct shall be subject to disciplinary action as described in the district Code of Student Conduct.

Procedures
Any student who alleges sexual harassment by another student, employee, or non-employee volunteer may use the Student Grievance Procedure or may complain directly to the building principal, the Executive Director of School Support, or a District Anti-Harassment Compliance Officer.

Reprisals or retaliation for reporting sexual harassment will not be tolerated and will be regarded as threats or intimidation as defined in this document. The right to confidentiality, both of the complainant and of the accused, will be respected, consistent with the School Board's legal obligations, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

In determining whether alleged conduct constitutes sexual harassment, all of the circumstances, the nature of the conduct, and the context in which the alleged conduct occurred will be investigated. The Superintendent or designee has the responsibility of investigating and resolving complaints of sexual harassment.

Disciplinary Action
A substantiated charge of sexual harassment on the part of a student shall subject that student to disciplinary action, which may include suspension or expulsion, consistent with the Matrix of Infractions and Disciplinary Actions which is located in the Code of Student Conduct.

Florida Statute 1006.07 (2)(h)
School Board Policy 3362, 5517, 5517.01
PROHIBITION OF DATING VIOLENCE

All students should have an educational setting that is safe, secure, and free from dating violence or abuse of any kind. Dating violence by any student is prohibited on school property, during any school-related or school-sponsored program or activity or during school-sponsored transportation.

**Definition:** Teen dating violence is a pattern of emotional, verbal, sexual, or physical abuse used by one person in a current or past dating relationship to exert power and control over another when one or both of the partners is a teenager. Abuse may include insults, coercion, social sabotage, sexual harassment, stalking, threats, and acts of physical or sexual abuse. The abusive partner uses this pattern of violent and coercive behavior to gain power and maintain control over the dating partner. This may also include abuse, harassment, and stalking via electronic devices such as cell phones and computers, and harassment through a third party, and may be physical, mental, or both.

Any student who is the victim of dating violence or who witnesses it should report it immediately to the school’s administration. Reprisals or retaliation for reporting dating violence will not be tolerated and will be regarded as threats or intimidation as defined in this document.

**STUDENT GRIEVANCE PROCEDURE**

**(DISCRIMINATION/HARASSMENT)**

The Student Grievance Procedure may include complaints of harassment and/or discrimination. This procedure is not, generally, available to students who reject behavior consequences issued to them by school officials. However, specific complaints about such consequences, when they overlap student concerns that school officials caused the student to feel harassment or discrimination, may advance under this complaint procedure.

Reprisals or retaliation for reporting discrimination or harassment will not be tolerated and will be regarded as threats or intimidation as defined in this document.

The following steps represent the District’s guidelines for handling student complaints about discrimination and harassment.

**Level I: School-Based Complaint-Process**

A. The student presents his / her complaint, in writing or verbally, within sixty (60) days of the offending behavior to a school counselor or assistant principal.

D. The hearing shall occur within 10 school days of the counselor’s or assistant principal’s receipt of the student-complaint.

E. Within 10 days of the hearing, the assistant principal will render a summary of the hearing, determining: (1) if an act of discrimination or harassment has occurred (2) a binding resolution for relief to the aggrieved.

**Level II:**

A. If the student-complainant is unsatisfied with the complaint-resolution at LEVEL I, s/he may pursue advancement of the complaint, on appeal, to LEVEL II within ten (10) school days. Failure to advance the appealed-complaint within this time frame will have the net effect of ending the complaint.

B. The appellant-student will advance the complaint to the building principal (or director) where the alleged harassment or discrimination occurred.

C. The building principal (or director) becomes the scheduler of the LEVEL II complaint-appeal hearing and serves as the facilitator at that hearing.
D. The hearing shall include the student-complainant, the principal-facilitator, the student’s parent or representative, and the employee about whom the complaint is filed.

E. The hearing shall occur within 10 school days of the principal’s receipt of the appeal.

F. Within 10 days of the appeal-hearing, the principal will render a summary of the hearing, determining: (1) if the LEVEL I determination should be upheld; (2) if harassment or discrimination occurred; (3) if issued, whether the resolution was appropriate and, (4) if deemed insufficient or inappropriate, what change needs to occur to make a revised or new resolution a more effective response to the complaint.

Level III:
A. If the student-complainant is unsatisfied with the complaint-resolution at LEVEL II, s/he may pursue advancement of the complaint, on appeal, to LEVEL III within ten (10) school days. Failure to advance the appealed-complaint within this time frame will have the net effect of ending the complaint.

B. The appellant-student would advance the complaint to the Executive Director of School Support or the Director of Human Resources.

C. The director becomes the scheduler of the LEVEL III complaint-appeal hearing and serves as the facilitator at that hearing.

D. The hearing shall include the student-complainant, the director-facilitator, the student’s parent or representative, and the employee about whom the complaint is filed.

E. The hearing shall occur within 10 school days of the director’s receipt of the appeal.

F. Within 10 days of the appeal-hearing, the director will render a summary of the hearing, determining: (1) if the LEVEL II determination should be upheld; (2) if harassment or discrimination occurred; (3) if issued, whether the resolution was appropriate and, (4) if deemed insufficient or inappropriate, what change needs to occur to make a revised or new resolution a more effective response to the complaint.

Level IV:
A. If the student-complainant is unsatisfied with the complaint-resolution at LEVEL III, s/he may pursue advancement of the complaint, on appeal, to LEVEL IV within ten (10) school days. Failure to advance the appealed-complaint within this time frame will have the net effect of ending the complaint.

B. The appellant-student would advance the complaint to the Assistant Superintendent of Human Resources, the Director of Human Resources OR to the Executive Director of School Support.

C. The Assistant Superintendent or the appropriate Director (from B., above) becomes the scheduler of the LEVEL IV complaint-appeal hearing and serves as the facilitator at that hearing.

D. The hearing shall include the student-complainant, the Assistant Superintendent or appropriate Director, the student’s parent or representative, and the employee about whom the complaint is filed.

E. The hearing shall occur within 10 school days of the Assistant Superintendent’s or appropriate Director’s receipt of the appeal.

F. Within 10 days of the appeal-hearing, the Assistant Superintendent or appropriate Director will render a summary of the hearing, determining: (1) if the LEVEL III determination should be upheld; (2) if harassment or discrimination occurred; (3) if issued, whether the resolution was appropriate and, if deemed insufficient or inappropriate, what change needs to occur to make a revised resolution a more effective response to the complaint.

G. Level IV is the final level of appeal: the decision of the Assistant Superintendent or appropriate Director shall be final.

**CHARLOTTE COUNTY PUBLIC SCHOOLS**

**STATEMENT ON CHEATING AND PLAGIARISM**

The School Board of Charlotte County strongly believes that academic honesty must be practiced by all its students. In accordance with the school district’s mission to provide an innovative educational environment that allows and inspires success for everyone, it is incumbent on the Board to take an unwavering stand on academic integrity. Students are expected to act as responsible individuals, to conduct themselves with honesty and integrity both personally and academically, and to respect the rights of others. The School Board considers these standards to be essential to its academic mission.

Cheating is generally defined as the inappropriate and deliberate distribution or use of information, notes, materials, or work of another person in the completion of an academic exam, test or assignment which includes plagiarism. Plagiarism is the act of taking ideas or writings from another and offering them as one’s own.

Cheating is wrong.

As students develop values through their school years, virtue and honor will be emphasized as the cornerstone to a prosperous, abundant career and personal life. Therefore, instances of cheating, in any form, will be considered a critical breach of character and integrity as well as a serious violation of the Code of Student Conduct punishable by measures deemed appropriate by school and district officials. Parents shall be notified of all instances of cheating.

Violation of this portion of the Code of Student Conduct, as in the “Definitions of Infractions” in this document may result in the loss of eligibility for local scholarships, loss of honors, awards, and membership in
extra-curricular activities. A student whose actions enable others to cheat (e.g., stealing or selling a test) will be considered to have committed a particularly serious violation of this Code of Student Conduct which will result in the strongest of consequences related to the nature of the incident including, but not limited to loss of assignment credit if applicable, referral to law enforcement. Please refer to the Matrix of Infractions and Disciplinary Actions at the end of this document for consequences relating to violations of academic honesty.

The Superintendent’s Academic Integrity Committee, a committee consisting of students from all four (4) high schools, has supplied the following to remind students of facts about cheating.

- Copying is cheating.
- Homework is not supposed to be copied.
- Education relies on each student’s integrity.
- Attitude for learning is built upon honesty.
- Teachers lose trust when you cheat.
- Integrity for yourself is priceless.
- Not learning to your full potential makes you lose valuable time.
- Giving away answers is not cool and only hurts you and the other person.

Honesty is respected. Cheating should be rejected.

CHARLOTTE COUNTY PUBLIC SCHOOLS

STATEMENT OF ACADEMIC HONESTY AND PLAGIARISM

This form must be presented to each student in grades K-12. Forms for students in grades K-2 need a parent signature only. In grades 3-12, both the student and the parent must sign the form. The signed form will be kept on file in the office of the school’s dean or appropriate administrator.

The School Board of Charlotte County strongly believes that academic honesty must be practiced by all its students. Therefore, instances of cheating in any form will be considered a critical breach of character and integrity as well as a serious violation of the Code of Student Conduct.

Cheating is defined in the Charlotte County Public Schools in the following way:

"The inappropriate and deliberate distribution or use of information, notes, materials, or work of another person, used as your own, in the completion of an academic exam, test or assignment."

Cheating violations may result in the loss of eligibility for local scholarships, loss of honors, awards, and membership in extra-curricular activities. In addition, a student whose actions enable others to cheat (e.g., stealing or selling a test) will be considered to have committed a particularly serious violation of the Code of Student Conduct which will result in the strongest of consequences related to the nature of the incident including, but not limited to loss of assignment credit, referral to law enforcement.

My signature on this form indicates that I have read and understand the School Board's policy concerning academic honesty.

STUDENT RECORDS

Access to student records shall be governed by State and Federal laws and procedures. Records may be in a variety of formats including print, computer media, audio tape and video tape.

Student records shall be available only to students and their parents, adult students, designated school officials and personnel, other persons as the parent or adult student authorizes in writing, a court of competent jurisdiction or to other individuals or organizations as permitted by law. The term “parents” includes legal guardians or other persons standing in loco parentis (such as a grandparent or stepparent with whom the child lives, or a person who is legally responsible for the welfare of the child).

With regard to records, if a student is eighteen (18) years of age or older, permission, consent, and rights given to the parents shall be given to the adult student only, unless the adult student is a dependent adult student as defined in federal law. The School District may, in this instance, disclose personally identifiable information from the education records to parents or guardians without the prior consent of the dependent adult student.

Directory Information

Directory information is information about a student that the School Board, under Family Educational Rights and Privacy Act (FERPA), is allowed to release. The District shall make available, upon request, certain information known as “directory information” without prior permission of the parents or the adult student.

Directory information includes a student’s name, address, telephone number, (if it is a listed number), date and place of birth, participation in officially recognized activities and sports, height and weight, if a member of an athletic team, dates of attendance, and date of graduation or program completion.

If parents or adult students do not wish to have information released, they must indicate this to the school by providing a written statement or by signing the appropriate area on the “Parent/Guardian Consent Form” which is given to each student at the beginning of each year or at the time of registration. The written statement or the “Parent/Guardian Consent Form” must be returned within two (2) weeks of the first day of the school year or entry into the school system.

Directory Information shall not be provided to any organization for profit-making purposes.

PLEDGE OF ALLEGIANCE

By law, the Pledge of Allegiance shall be recited in all schools every day. Upon written request by a student’s parent/guardian/caregiver, the student may be excused from reciting the Pledge and may remain quietly seated during the recitation period.

SOCIAL MEDIA AND WEBSITES - CAUTION

Students are not permitted to utilize, create, or post social media or websites representing themselves as a school or school official.

Students who use any form of social media or other messaging, regardless of the time of day, may face disciplinary consequences related to cyberbullying, threatening behaviors, or false reporting when the communication disrupts the educational environment of the school.

Taking, sending, soliciting, forwarding or receiving pictures of a sexual nature via an electronic device is against the law and could get a student into serious trouble, not only in school, but with the law as well. If a student forwards such a picture of someone (even him/herself), he/she could face pornography charges. Students must report receiving pornographic materials to the school’s administration.

LIMITED ENGLISH PROFICIENT STUDENTS

Students whose native language is other than English maintain the right of appropriate use of their native language without being subjected to disciplinary action.

At parent request, communications, both written and verbal from the school or District Office, will be translated into the native language when appropriate and feasible.

**WEAPONS AND DANGEROUS INSTRUMENTS**

Weapons
In addition to firearms, students are strictly prohibited from possessing using, selling, storing, or distributing any object that may be used to inflict harm or to intimidate another person. Weapons, whether real or look alike weapons, will result in a recommendation for expulsion whether or not law enforcement action is taken.

Simulating a firearm while playing, wearing clothing as accessories depicting weapons or expressing an opinion regarding gun ownership rights are not necessarily grounds for disciplinary action unless those aforementioned behaviors cause a substantial disruption to the learning environment.

Students are required to immediately report knowledge of weapons and threats of violence by students and staff to the building administrator. Failure to report such knowledge may subject the student to immediate suspension and potential expulsion from school.

Examples of weapons include but are not limited to the following:

- Fixed blade knives
- Folding knives
- Switchblade knives
- Chinese stars
- Billy clubs
- Chemical irritants
Common pocketknives  Mace
Razor blades             Tear gas

Items used in such a way may result in a recommendation for expulsion.

---

**OFF CAMPUS FELONIES**

In accordance with Section 1006.09 (2), Florida Statutes, suspension proceedings may be initiated against a student who is formally charged with a felony for an incident that allegedly occurred on property other than public school property. If, in an administrative hearing, the incident is shown to have an adverse impact on the educational program, discipline, or welfare of the school, the student may be suspended until the disposition of his or her case by the courts. As a result of such a hearing, the student may be suspended for longer than 10 days; however, such a suspension that exceeds 10 days shall not affect the delivery of educational services to the student and the student shall be immediately enrolled in a daytime or evening alternative education program where appropriate. If the court finds that the student did commit the felony, the School Board shall have the authority to expel the student.

---

**VICTIMIZATION**

In accordance with Florida Statute 1006.13(5), any person who is attending public school and who has committed certain felony violations can be prohibited by the court before, at the time of adjudication, withholding of adjudication, or pleas - from attending the same school or riding the same school bus as the victim or the victim’s siblings.

---

**FALSE ACCUSATION**

Any student found to have intentionally and maliciously made false accusations that jeopardize the professional reputation, employment, or professional certification of a teacher or other member of the school staff may be subject to expulsion.
STUDENT ATTENDANCE REQUIREMENTS

The School Board maintains that daily school attendance is essential to the educational success of each student. Students are expected to be in school all day, every day and in class on time in order to receive full benefit from the instructional programs of the Charlotte County Public Schools. All absences must be reported and explained by a parent or guardian within two (2) school days after the student’s return to school. Research has shown that 10% or more of instructional time missed by students (pre-k to grade 12) is an early warning indicator for possible academic struggles; this measure is used to define chronic absenteeism nationwide.

Florida Statute 1003.24
School Board Policy 5200

Compulsory School Attendance

School attendance is required of all students, who have attained the age of 6 years or who will have attained the age of 6 years by February 1st of any school year, but who have not attained the age of 16, unless otherwise exempt by law.

Florida Statute 1003.21 (1)(a)(b)

Non-Enrollment

Under the direction of the Superintendent, a designated representative shall give written notice, in person or by return receipt mail, to the parent/guardian when no valid reason is found for a child’s non-enrollment in school. The letter requires enrollment within 3 days after the date of notice. If the notice and requirements are ignored, the designated representative may initiate steps necessary to bring criminal prosecution against the parent/guardian.

Florida Statute 1003.26 (2)(a)

Students Under Compulsory Attendance Age

Early education is vital to a student’s success therefore, schools encourage consistent attendance of pre-k and kg students who are under compulsory attendance age.

Students Beyond Compulsory Attendance Age

All students age 16 or over are required to comply with all school rules and all rules and regulations established by the School Board. All notices, report cards, attendance information and other similar information will be made available to the parent/guardian with the understanding that the parent/guardian is fully responsible for student progress, attendance and behavior.

Students between the ages of 16 and 18 must file with the School Board a formal declaration of intent to terminate school enrollment in order to be exempt from compulsory school attendance requirements. An exit interview with appropriate school staff is required, and the declaration form must be signed by both the parent and the student.

Florida Statute 1003.21

Attendance Recording

Students shall be counted in attendance when they are present. Students who are on hospital/homebound instruction are counted as present.

Florida Statute 1003.23 (2)
Reporting Student Absence
There must be communication between the school and home regarding each absence. All absences must be reported and explained by a parent or guardian within two (2) school days after the student’s return to school. All absences are considered unexcused until the school receives explanation, written or oral, from the parent/guardian. The principal or designee has the authority to determine whether or not an absence is excused. Excessive excused absences for illness may result in the student being required to provide a doctor’s note or other substantiating medical evidence.

Florida Statute 1003.23 (2)

Types of Absences
For purposes of gathering statistical data, all absences will be recorded in the school office as excused, unexcused, or absence due to an out-of-school suspension.

A. **Excused Absence** - An absence will be recorded as excused for the following reasons:
   1. Illness of student.
   2. Serious illness or death in student’s immediate family, including significant other.
   3. Students having or suspected of having a communicable disease or infestation that can be transmitted are to be excluded from school and are not allowed to return to school until they no longer present a health hazard (F.S. 1003.22). Examples of communicable diseases and infestations include, but are not limited to, fleas, bed bugs, head lice, ringworm, impetigo and scabies. Students excluded from school for head lice will be allowed a maximum of three (3) school days excused absence for each occurrence.
   4. Doctor or dental appointments. Parents are encouraged to schedule appointments after school hours.
   5. Treatment of autism spectrum disorder by a licensed healthcare practitioner or behavior analyst certified pursuant to s. 393.17, FS.
   6. Health issues as they relate to pregnant teens, teenage mothers and/or their children. Appointments after school are encouraged.
   7. Legal matters.
   8. Religious holidays/training of the student’s specific faith or religious instruction. Students shall be excused from any examination, study, or work assignment for observance of a religious holiday or because the tenets of his/her religion forbid secular activity at such time.
   9. The principal must be notified at least five school days in advance of any planned trips with parents or special events such as State/National competitions, student conferences, education enrichment activities, important public functions and post-secondary educational institution visits. The principal may excuse the absence depending on an individual student’s attendance record and academic standing.
   10. Absence is with knowledge and consent of the Principal.

   **Note:** School-sponsored trips, extracurricular activities, assemblies, and internal suspensions are not considered absences. Students are allowed to make up work in the same manner as an excused absence.

B. **Unexcused Absence** – A student’s absence will be recorded as unexcused if the student is absent from school or class for any reason not listed in the above types of absences.

C. **Absence Due to Out-of-School Suspension** – Absence due to an out-of-school suspension will be recorded in a category separate from excused or unexcused.

D. **Absences Due to Incomplete State Immunization Requirement or Health Examination Requirement** - Charlotte County Public Schools, in accordance with Florida Statute 1003.22,
allows homeless students and new students a 30 school day grace period to get their mandatory physical, immunizations or certificate of waiver for said requirements. Failure to provide documentation within the 30 school day grace period will result in the student being excluded from school beginning on school day 31. All school days missed after the 30 school day grace period will be recorded as unexcused absences and the student's absences will be subject to Florida's truancy laws.

Florida Statute 393.17, 1003.22, 1003.23, 1003.24

Excessive Excused or Chronic Absences
The Principal has administrative discretion in cases of excessive absences to reject a written note and consider the absence as unexcused when absences are impacting academic progress, with the exception of sickness, injury or insurmountable conditions.

If a student is continually sick and repeatedly absent from school, he or she must be under the supervision of a physician in order to receive an excused absence. The Principal of the school shall determine when it is necessary to require a physician’s statement from the student’s medical provider. The parent/guardian will have to provide a copy of this documentation within two (2) school days after the student’s return.

Florida Statute 1003.27 (3)

Elementary and Middle Students: Late Arrivals (Tardy) and Early Dismissals
The term "tardy" means being late to school, class, or an activity, with or without permission of parents/guardians. Tardiness is disruptive to the learning environment and has a negative impact on student achievement.

The parent/guardian/caretaker of each student of compulsory school age, who has been tardy or released from school for any reason, shall explain the cause for such tardiness or partial absences from school. Parents of tardy elementary school students are required to sign the student in at the office. The School Board reserves the right to verify such documentation and to investigate the cause of any tardiness or early dismissal. The Principal or designee will decide if the absence meets the criteria for an excused absence.

During the school year, failure to document and explain the cause for the late arrival or early dismissal may result in an unexcused tardy or unexcused early dismissal. Every three (3) unexcused tardies or early dismissals, or a combination of thereof, will result in one (1) unexcused absence for the purpose of determining whether a pattern of non-attendance exists. A student who has accumulated a combination of 15 unexcused tardies and/or early releases may be referred to Truancy Court or the Truancy Intervention Program (TIP). Additionally, procedures for filing a Child In Need of Services (CINS) petition may be commenced.

Florida Statute 1003.24 (4); 1003.02 (1)(b); 1003.26 (1)(6)
School Board Policy 5230.01

Pattern of Non-attendance
Poor academic performance is associated with non-attendance; therefore, schools will respond in a timely manner to prevent the development of patterns of non-attendance which may indicate early signs of truancy.

If a student has had at least five (5) unexcused absences, or absences for which the reason is unknown, within a calendar month or ten (10) unexcused absences, or absences for which the reason is unknown, within a 90 calendar day period, the student’s teacher shall report to the school principal or his or her designee that the student may be exhibiting a pattern of non-attendance.

The principal shall, unless there is clear evidence that the absences are not a pattern of nonattendance, refer the case to the school’s attendance intervention team, or equivalent (referred to in the law as the Child Study Team) to determine if early patterns of truancy are developing. If the attendance intervention team
finds that a pattern of non-attendance is developing, whether the absences are excused or not, a meeting with the parent must be scheduled to identify potential remedies. If this parent meeting does not resolve the attendance issue, the team shall implement interventions that best address the barriers to regular school attendance.

If the student exhibits a pattern of non-attendance, principals may request documentation for subsequent absences.

**Note:** Absences for truancy referral are cumulative and carry over for the entire school year.

Florida Statute 1003.26 (b)(c)

**Approved Documentation to Excuse an Absence When Required**

- Doctor’s note from doctor, dentist or other health care professional
- Proof of hospitalization
- Obituary notice, death certificate

**Make-up Work/Homework: Guidelines and Responsibilities**

Definitions for the purposes of this document:

- **Make-up work:** work, assignments, tests, etc., done in class that a student has missed due to absence.
- **Homework:** work assigned for a student to complete outside of class time.
- **Long Term Assignment:** assigned projects where the student is given seven (7) or more calendar days to complete.

While make-up work will be provided for all students as outlined below, no activities or assignments can replace the learning that occurs in the classroom when the student is present.

It is the responsibility of the student/parent to request all make-up work and homework from teachers. Two (2 days) for each day of absence shall be given to complete all work. Exams, tests, or quizzes shall be rescheduled at the discretion of the teacher. Long-term projects assigned prior to the absence shall be due on the date the student returns to class. Exceptions may be made with proper documentation.

At all grade levels students are permitted to:

1. Make-up work and homework for absences due to the first out-of-school suspension of the school year may be requested if the suspension is not a zero tolerance violation. Work will be made available for full credit upon request by the student/parent within twenty-four (24) hours of the suspension and will be subject to the normal make-up work policy. These privileges shall not exist for subsequent out-of-school suspensions except for exams (or equivalent).
2. Make up a semester exam (or equivalent) for full credit regardless of the type of absence or number of suspensions. The date for the make-up exam will be determined by the principal (or designee).
3. All state mandated testing will be made up according to the Florida Department of Education’s published state assessment testing windows and state testing rules.
Elementary and Middle School students will be permitted and encouraged to make up work, tests, and quizzes regardless of the status of the absence (excused/unexcused) and receive full credit.

At the high school level, students with excused absences will be permitted and encouraged to make up work, tests, and quizzes and will not receive an academic penalty unless the work is not made-up within the allowable time frame.

1. If a pattern of non-attendance develops, the principal or designee may require documentation to excuse an absence.
2. In the case of unexcused absences, a teacher may deduct up to 30% from the earned grade for work made up.

NOTE: It is understood that all syllabi distributed and/or communicated by instructional staff to students and parents, for the purposes of setting guidelines and responsibilities within the domain of make-up work policies and procedures, will comply with the Code of Student Conduct.

### Dual Enrollment
Students participating in dual credit classes will follow standard make-up guidelines set forth by the college instructor.

**Florida Statute 1003.24**

**Consequences Related to Non-Attendance/Truancy**

**A. Revocation of a Reassignment**
Students who accumulate absences and tardies shall be reported to the Hardship Committee for review.

**B. Referral to Truancy Intervention Program (TIP)**
Students are expected to be in school and in class on time in order to receive full benefit from the instructional programs of the Charlotte County Public Schools. Students of compulsory school age with chronic/excessive excused or unexcused absences or with absences, which occur in patterns, may be referred to the Truancy Intervention Program (TIP). A district Truancy Intervention Staffing Committee (TISC) will review the case and make final attempts at having families comply with attendance laws. Additionally, the Charlotte County State Attorney’s Office and the Charlotte County Public Schools have partnered and created TIP to enforce Florida’s mandatory school attendance laws. If your child exhibits a pattern of truancy, and there is no improvement after interventions, the Superintendent of schools may file a case for criminal prosecution against the student’s parents.

**C. Referral of Child in Need of Services (CINS)**
A referral to the CINS provider may be initiated for additional case management and interventions when school based interventions have failed.

A student with fifteen (15) or more unexcused absences within ninety (90) calendar days will be considered habitually truant from school. In these cases, procedures for filing a Child in Need of Services (CINS) petition with the courts may be commenced.

**D. Revocation of a Driver’s License**
Students 14 to 18 years of age who are habitually truant are subject to the Driver’s License law (refer to Attendance and Driver’s License Program).

**E. Loss of Temporary Assistance for Needy Families (TANF) grants through the Learnfare Program**
Students 6 to 16 years of age who are habitually truant may lose benefits. The Department of Children and Families will reinstate the grant only when conditions as provided by law are met (30 days of attendance with no unexcused absences).

Note: When a student transfers to another school district in an attempt to circumvent the applicable remedial truancy procedures, copies of all records pertaining to said procedures shall be forwarded to the new school district free of charge (F.S. 1003.28).

**Attendance and Driver’s License Program**
Florida Statute requires each school district to report to the Department of Highway Safety and Motor Vehicles the names of all minors between 14 and 18 years of age who accumulate 15 unexcused absences in any 90-day period. Students whose names have been submitted will not be issued a driver’s license or learner driver’s license, and any previously issued license will be suspended.

Parents or guardians of students whose driver’s licenses have been suspended, or the issuance of which has been denied because of excessive unexcused absences may request the principal to have some or all of the absences changed to the status of excused. However, all such requests, in order to be considered, must be accompanied by proper documentation as outlined in the section on “Approved Documentation to Excuse an Absence When Required”. In order for a driver’s license to be reinstated, a student must be in attendance for at least 30 school days without any unexcused absences.

**Out of School Suspensions**

An out-of-school suspension is an administrative action that prohibits a student from attending school as compared to truancy. In order to avoid a double penalty, absences due to out-of-school suspensions will not be reported to the Department of Highway Safety and Motor Vehicles (DHSMV).

**Florida Statute** 1003.27(2)(6)

**Attendance and Suspension**
Students shall not be suspended for unexcused absences, unexcused tardies, lateness or truancy.

**STUDENT DRESS CODE**

Responsibility for the dress and appearance of students enrolled in the Charlotte County Public Schools primarily rests with parents and the students themselves. Some student apparel may not be appropriate to wear to school even though that same apparel may be appropriate in other settings.

The School Board of Charlotte County believes that there is a relationship between student attire and classroom behavior, attitude, and achievement. The objectives of this serious and conservative dress code are to bring more dignity to the classroom, to have fewer classroom distractions, to help achieve stronger discipline, and to help provide guidelines for appropriate attire as students transition from the classroom environment to the world of work or postsecondary settings.

To assist parents and students in making appropriate fashion and grooming decisions for school, the School Board has established the following guidelines for appearance and dress.

A school may elect to participate in a uniform dress code which follows school board guidelines and which receives school board approval. Once a uniform dress code is approved for a school, students must follow the school’s adopted code or face consequences as outlined in the *Code of Student Conduct “Matrix of Infractions and Consequences.”*

✓ *It is expected that students will wear the following:*

1. Clothing and hairstyles which are not harmful, disruptive, or hazardous to health or safety;

2. Appropriate undergarments at all times. Undergarments are to remain unexposed;

3. Footwear which is appropriate to activities and conditions;

4. Tops and dresses which have sleeves;

5. Pants, skorts, shorts, skirts and dresses whose length is about the knee or longer when standing. Pants, skorts, shorts, and skirts are to be fastened at the waist. If the pants, skort, shorts, skirt, or dress has a leotard or leggings, etc. underneath, the pants, skort, shorts, skirt, or dress still must meet the appropriate length. Sheer leggings are not a substitute for pants; and

6. Pants with tears or rips above the knee can only be worn with clothing that covers exposed skin and undergarments.

**Note:** It is expected that elementary school students will wear shorts and other apparel of an appropriate length as determined by the principal.
It is also expected that students will not wear the following:

1. Caps, hats, headwear or sunglasses except when students are out of doors during school hours; 

   Florida Statute 1001.43(1)(b)

2. Apparel, emblems, insignias, badges, or symbols that display obscenities, are sexually suggestive, or which promote or advertise the use of tobacco products, alcohol, drugs, violence or other illegal activities;

3. Apparel or symbols which are offensive to any specific group or which are identified with gang, secret society, or cult involvement;

4. Any articles of clothing or jewelry that could likely cause injury or disruption, such as but not limited to, inappropriate tattoos, a spiked bracelet that could be used as a weapon, decorative chains and/or piercings which are designed or worn in a fashion that could easily cause injury; and

5. Halter, backless or sleeveless dresses or tops, spaghetti straps, tube tops, tank tops, muscle shirts, tops with low or revealing necklines, or any other clothing which may be distracting unless covered by an appropriate outer garment which remains as part of the outfit. In addition, the midriff shall not be exposed.

   Note: The principal or the principal’s designee has the final authority for interpreting whether a student’s apparel conforms to the dress code. When it is determined that a student’s clothing does not comply with the dress code, or is disruptive or inappropriate, a parent/guardian may be asked to bring an appropriate change of clothes to school, or a student may be sent home to change clothes.

   Note: The principal may modify the dress code for extra-curricular school functions.

Effective July 1, 2011, Florida Statute prohibits a student, while on the grounds of a public school during the regular school day, from wearing clothing that exposes underwear or body parts in an indecent or vulgar manner or that disrupts the orderly learning environment.

Any student who violates this statute is subject to the following specified disciplinary actions as prescribed by Florida law.

**First offense:** A student must be given a verbal warning and the school principal/designee must call the student’s parent or guardian.

**Second offense:** The student is ineligible to participate in any extracurricular activity for a period not to exceed 5 days and the school principal/designee must meet with the student’s parent or guardian.

**Third and subsequent offense:** A student must receive an in-school suspension for a period not to exceed 3 days. The student is ineligible to participate in any extracurricular activity for a period not to exceed 30 days. The school principal/designee must call the student’s parent or guardian and send the parent or guardian a written letter regarding the student’s in-school suspension and ineligibility to participate in extracurricular activities.

Florida Statute 1001.43(1)(b);1006.07(2)(a,b,c)
PUBLIC DISPLAY OF AFFECTION

Students are expected to display appropriate and respectful interpersonal physical contact at all times. Excessive interpersonal contact or inappropriate displays of affection may result in disciplinary action.

SCHOOL BUS SAFETY RULES

Safety – Our First Concern
These rules have been developed to promote the safety of all students who have been granted the privilege of riding a Charlotte County Public School bus. Failure to comply with these rules could result in the permanent loss of riding privileges and suspension and/or expulsion from school. Students may be video taped while riding the bus. Viewing of any tapes are subject to School Board policy.

In addition to following the Code of Student Conduct, there are additional bus safety rules that must be followed in order to help ensure a safe ride on the school bus.

Bus Stops
Students will conduct themselves in an appropriate, safe, and courteous manner while at the school bus stop. Behaviors prohibited by the Code of Student Conduct which take place at the school bus stop will be referred to the school principal for action. State administrative code places the responsibility on parents for the safe travel of their students when the students are not under the custody and control of the school district, including during each trip to and from home and the assigned bus stop. Parents are also responsible for ensuring their students comply with the District Code of Student Conduct while at school bus stops and parents must provide necessary supervision during times when the bus is not present.

SBER 6A-3.0121

1. Students should be at their assigned bus stops five (5) minutes prior to the scheduled arrival time of the bus.

2. Pre-Kindergarten, Head Start, Kindergarten and First Grade Students: According to Charlotte County School Board policy, it is the responsibility of the parent, guardian, or other responsible person (including a sibling in grade five (5) or above, or a student's child care provider), designated in advance and in writing by the parent or guardian to escort pre-kindergarten, Head Start, kindergarten and first grade students to and from their designated bus stops. Parents or guardians must meet their students at the door of the school bus to ensure the student is released safely and to the proper escort. Parents or guardians may be asked to provide proof of identity before the student is released from school district custody. Any such student not met in the afternoon will be returned to the school, and building administration will contact parents for pick up.

3. Students who must cross the road before boarding or after leaving the bus must do so only in front of the bus and only after receiving a clear signal from the driver.

4. Students must stand well off the roadway while waiting for the bus. They should not attempt to enter the bus until it is completely stopped and the door opens. Students should enter in an orderly manner.

Permission to Ride an Alternate Bus
Students must get on and off the bus at their designated stops. Permission to ride an alternate bus must be requested in writing and approved by the principal (temporary) or the Director of Transportation (permanent). Requests must be received no later than 11:00 am for the specific day and will be honored on a space available basis.

Definition of “electronic or wireless communication devices” for the purpose of this document:

Electronic devices are those which provide communication by text, word, voice or picture.

Florida Statute 1006.07(g); 1006.10
School Board Policy 8600

Safety is the FIRST consideration on the bus; therefore, use of electronic devices is permitted as long as it does not interfere with the safety of the bus as determined by the driver.

**WALKER SAFETY**

Students should be mindful of traffic when walking to and from school. Walkers should stay on sidewalks or paths or on the side of the street facing traffic. Students should not walk in the middle of the road.

Parents of elementary students who walk to and from school are highly encouraged to review safety tips with their children. Parents are also encouraged to have a responsible person meet and/or walk home with the student.
BICYCLES

The School Board regards the use of bicycles for travel to and from school by students as an assumption of responsibility on the part of those students and parents. Bicycles are not permitted for student travel on campus during the school day.

Students are responsible for bicycles and equipment which are lost, stolen, or damaged while on School Board property.

Florida Statute 1001.43

HOVER BOARDS

Due to the dangers involved with hover boards, because of the instability of the devices’ batteries, and due to the inherent risk of injury by unskilled riders, Charlotte County Public Schools does not allow these devices on campuses or district transportation vehicles.

STUDENT CONDUCTED SURVEYS

Student conducted surveys that fall under the Protection of Pupil Rights Amendment MUST have approval from the Superintendent before they are administered.

ELECTRONIC COMMUNICATION AND LASER DEVICES

While the School Board recognizes the importance of technology in our society, and the importance of integrating technology into our classrooms, the Board also requires students to use technology in an appropriate and responsible way. Misuse of any electronic devices will be handled with strict enforcement.

IT IS REQUESTED THAT PARENTS ASSIST WITH THE IMPLEMENTATION OF THIS IMPORTANT POLICY.

Note: CCPS is not financially responsible for electronic or wireless devices that are lost or stolen on campus. CCPS is not responsible for any data lost while connected to our network. CCPS maintains the right to disable any device connected to the network.

Electronic or Wireless Communication Devices are defined as follows:

Electronic devices are those which provide communication by text, word, voice or picture.

Student use of cellular phones or other electronic or wireless devices is strictly prohibited at any time once the school day begins unless specific permission is granted by a teacher or administrator or is specific to an IEP or 504 plan. Each school may develop individual usage rules. Cellular phones or other communication devices used during the school day or on the school bus without specific permission will be confiscated. Confiscated devices may be released to the parent/guardian at the end of the academic day that the incident occurs or before or after school in the days following. Repeated misuse may result in loss of privileges as determined by the principal or his/her designee.
It is expected that students using the internet will ONLY access it through the CCPS network unless they receive prior approval from their instructor. Audio taping, video taping or photographing a person without his or her expressed permission is strictly prohibited. Parent permission is required at the elementary level.

NOTE: If a communication device is used in a criminal act while the student is on school property or in attendance at a school function, there is the possibility of disciplinary action by the school or criminal penalties by a court of law.

Florida Statute 1006.07(2)(e)

Any laser device, not authorized for use as a learning tool, is strictly prohibited on school grounds or school buses and possession of such device will result in confiscation and possible disciplinary action.

STUDENTS BEWARE! * STUDENTS BEWARE! * STUDENTS BEWARE!

Taking, sending, soliciting, forwarding or receiving pictures of a sexual nature via an electronic device is against the law and could get a student into serious trouble, not only in school, but with the law as well. If a student forwards such a picture of someone (even him/herself), he/she could face pornography charges. Students must report receiving pornographic materials to the school’s administration.

Gangs and secret societies are prohibited.

Gangs are defined as any ongoing organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities, the commission of one or more criminal acts. Gangs have an identifiable name or identifying sign or symbol, and members individually or collectively engage in a pattern of criminal activity.

A secret society is defined as a fraternity, sorority, or other organization whose active membership is comprised in whole or in part of students enrolled in any public school. Membership in a secret society is based on the decision of its members rather than on the right of any student who is qualified by the rules of the school to be a member. This does not prevent the establishment of an organization fostered and promoted by school authorities or approved and accepted by school authorities.

Any student wearing, carrying, displaying gang or secret society paraphernalia, exhibiting behavior or gestures which symbolize gang or secret society membership, causing and/or participating in activities which intimidate or affect the attendance of another student, may be suspended from school and recommended for expulsion.

MEDICATION MISUSE

Charlotte County Public Schools recognizes that a student may have an illness that does not prevent his/her attending school but which does require an FDA approved medication prescribed by a licensed medical physician. Medications, dietary supplements, vitamins, holistic medications such as essential oils and/or treatments including inhalers should be given by parents at home, except when, in a physician’s opinion, it is deemed vital that the medication be given during school hours. Medications, including the aforementioned list, taken during the school day must be dispensed by the school nurse or designee in the student health center. No over-the-counter (non-prescription) medications will be given by the school nurse (or designee) without a prescription from the physician. A physician must order a non-prescription medication such as aspirin or
Tylenol and the appropriate *Parent and Physician Authorization Form* must be completed. A physician’s order is not needed for lip balm.

A student may possess and use a topical sunscreen product while on school property or at a school-sponsored event or activity without a physician’s note or prescription if the product is regulated by the United States Food and Drug Administration for over-the-counter use to limit ultraviolet light-induced skin damage.

Medications shall not be carried on a student’s person in school except Epinephrine Auto Injectors, asthma inhalers, and pancreatic enzymes and only after a separate completed signed authorization form has been approved. Furthermore, no student is allowed to provide or sell any type of medication to another student.

Possession and/or use of aerosols on school property or school events are strictly prohibited.

The misuse of common products with the sole purpose of imitating the effects of a licit or an illicit drug (legal or illegal) will be dealt with as a drug related offense.

Any misuse of over-the-counter or prescription medications will be dealt with as a drug related offense.

The use or possession of common products known to be alternatives to illicit drugs with the sole purpose of imitating the effects of a licit or an illicit drug (legal or illegal) will be dealt with as a drug-related offense. Examples of these products are bath salts, Spice, K2, herbal incense, potpourri and other common products that are known through law enforcement to mirror the effects of a licit or illicit drug.

In addition, any misuse of over-the-counter products (such as hand sanitizer, energy drinks, etc.) will be dealt with as a drug-related offense.

Possession or use of aerosols on school property or at school events is strictly prohibited.

Review of video by others will be governed by the Family Education Rights and Privacy Act (FERPA).

WARRANTLESS SEARCHES

School officials may conduct a warrantless search of a student’s person, automobile, book bag, or any other storage area on School Board property, if such officials have reasonable suspicion that illegal, prohibited, or harmful items or substances may be concealed on the student or hidden in such places.

School officials may also use metal detectors or specially trained animals in the course of searches. In addition, where alcohol use is suspected, students may be asked to submit to an oral swab test or portable breathalyzer test.

Any student who refuses to cooperate shall be subject to school disciplinary action which may include a recommendation for expulsion.

A random search of students without specific cause may be conducted on School Board property, at school-sponsored activities away from school property, and at all other times when students are subject to the disciplinary control of school officials. Students, property and areas to be included in the search shall be determined on a documented, completely random basis. Stationary or hand-held metal detectors may be used to assist in a random search for firearms and weapons. Specially trained animals may be used to assist in the random detection of weapons or illegal substances. Visitors, who elect to remain in the search area following notice, may be subject to the random search process. Such random searches may only be conducted by school officials subject to the administrative guidelines promulgated by the Superintendent and applicable School Board Policies.

School Board Policy 5610.03, 5610.04, 5771
STUDENT OUT-OF-SCHOOL SUSPENSION
AND EXPULSION/SERT

Suspension
Suspension is a disciplinary action that orders the temporary removal of a student from a class or all classes and/or extra-curricular activities for a prescribed period of time. The principal or the principal’s designee shall make a good faith effort to employ parental assistance or alternative consequences for misconduct prior to suspending a student, except in emergencies, disruptive conditions, or incidents involving a serious breach of conduct.

NOTE: Internal suspension is considered an Alternative Program intervention sometimes used prior to out-of-school suspension.

Guidelines for Suspensions
Before a suspension is imposed on a student, except in emergencies, the student shall be provided oral and written notice of the following:

- The provision(s) of the Code of Student Conduct violated;
- The specific conduct that constituted the violation(s);
- The factual basis for the suspension;
- The rationale for the suspension; and
- A brief description of the student’s rights and of the hearing process.

Each student shall be given the opportunity to present his/her version of the incident. No student shall be suspended for unexcused tardiness, lateness, absence, or truancy.

Parent Notification
When a student is assigned an out-of-school suspension, the principal or the principal’s designee shall make a good faith effort to immediately inform the student’s parent or guardian by telephone of the reason(s) for the student’s suspension. When telephone contact is made with the parent/guardian, a copy of the suspension papers related to the incident shall be mailed within 24 hours.

If the principal or the principal’s designee is unable to contact the parent, the suspension papers related to the incident shall be sent by certified mail to the most current address of the parent/guardian on record at the school.

Students who have been suspended shall not, under any circumstances, return to any school campus or any extracurricular activity during the term of the suspension. Students returning to campus or activities during suspension will be subject to arrest for trespassing.

Homework will be made available upon request by the student/parent within twenty-four hours of the suspension and will be subject to the normal homework policy of each teacher, and the Code of Student Conduct.

Suspension Appeal
A student along with his/her parent/guardian/caretaker may request an appeal regarding the suspension. The request for a suspension appeal must be made to the principal or designee by phone, email or in person. All requests for an appeal of a suspension should be made to the office of the principal or designee within 24 hours (excluding Saturday, Sunday and holidays) of the suspension.

During this appeal, the student may be directed by the principal or designee to remain out of school until a final decision is made regarding the appeal. If the appeal is granted, the principal or designee will make arrangements to administratively excuse the absence and assist the student with any school work missed during the appeal. The principal or designee has the authority and responsibility of final review of any such appeal.
Expulsion and SERT
Expulsion is the most severe penalty the School Board may impose for a violation of the Code of Student Conduct. Expulsion is the removal of the right and obligation of a student to attend public school for a specified period of time. An expulsion may be imposed for a period up to, but not to exceed the current school year, the following school year, and the intervening summer school.

The Superintendent shall refer the case of a student recommended for expulsion to the district Suspension/Expulsion Review Team (SERT). The SERT will review the incident, student records, and previous disciplinary actions and recommend that the Superintendent consider an alternative placement or act on the principal’s recommendation for expulsion. If an alternative placement is considered, the student and parent will be required to sign a Stipulated Agreement in Lieu of Expulsion and the student must attend an alternative school. In the case of a drug violation, the stipulated agreement will require that the student must submit to random drug testing while attending the alternative program (student/parents may be required to pay for the initial drug testing). The SERT Committee may also refer students for mental health services identified by the school district pursuant to s. 1012.584 (4). This referral may be required as part of a Stipulated Agreement in Lieu of Expulsion. If the principal’s expulsion recommendation is reaffirmed by SERT, the Superintendent shall schedule an expulsion hearing as soon as practicable.

Suspension and Expulsion of Students with Disabilities
For the purpose of this rule, students with disabilities shall mean those students evaluated and determined eligible for participation in an Exceptional Student Education (ESE) program, excluding gifted students.

A. An Individual Education Plan (I.E.P.) manifestation meeting shall be convened before the student with a disability has been suspended for ten (10) cumulative school days in any school year. If that is not possible, an I.E.P. manifestation meeting shall be held before the end of the 10th day of suspension. The I.E.P. committee shall consider whether the student’s misconduct is a manifestation of his/her disability, and may revise the IEP as needed, in accordance with Rule 6A-6.03312.

If suspension from the school bus results in a student not attending school, the days out of school shall also be considered as a suspension from school.

B. Expulsion of an identified student with a disability constitutes a change in placement, not an exclusion from educational services, and shall only occur when no relationship exists between the misconduct and the disabling condition. For this reason, the following procedures shall be followed in addition to those applying to students with disabilities:

1. Instances in which students with a disability engage in behavior that, under normal circumstances, could warrant expulsion shall be as described in the district Code of Student Conduct;
2. If the principal feels that the behavior of a student with a disability warrants expulsion, the principal shall contact the Superintendent and request through the school ESE department an Exceptional Student Education manifestation meeting in accordance with the district’s Exceptional Student Education Policies and Procedures.
3. The staffing committee shall comply with SBER 6A-6.03312 and shall meet to determine whether the student’s misconduct bears a relationship to the disability and to recommend a change in program, if warranted. The ESE-student with a disability can be expelled if the staffing committee determines that the breach of conduct was not related to his/her disabling condition. However, in no case may the district cease the provision of educational services, nor should the suspension of an exceptional student be extended beyond ten (10) days unless alternative educational services are provided;
4. The approved policies and procedures for conducting meetings and for providing procedural safeguards to parents and guardians of students with disabilities shall apply to the staffing and change of placement provisions consistent with SBER 6A-6.03312 and

5. The disabled student’s parent or guardian shall be informed of these policies and procedures by notice in the district *Code of Student Conduct*, by procedures in the district Exceptional Student Education Policies and Procedures, and by informed notice for any change of placement resulting from this policy.

**PARTICIPATION IN GRADUATION ACTIVITIES**

Completing all required courses, having the appropriate grade point average and receiving passing scores on all required tests, gives the student the right to receive a high school diploma. However, participation in graduation and promotion ceremonies and activities is a privilege, not a right that is automatically accorded to students. If, 30 school days or less before graduation, a student commits a major infraction as listed in the *Code of Conduct*, graduation activities and participation in the graduation ceremony (commencement) will be withheld. The graduation ceremony (commencement exercises) will include only those students who have successfully completed requirements for a standard high school diploma, a special diploma, or a certificate of completion for graduation as certified by the high school principal. Exceptions can be made with principal approval for students who are awaiting GED Exit Option results at The Academy. A qualified student may be denied participation in the ceremony of graduation when personal conduct so warrants.

**POSITIVE BEHAVIOR INTERVENTION SUPPORT**

Schools using Positive Behavior Intervention Support (PBIS) have a goal of providing programs based on research and individual school data which formalizes school-wide expectations and consequences specific to their particular school setting.
APPENDIX I
INTRODUCTION TO THE
MATRIX OF INFRACTIONS AND
POSSIBLE CONSEQUENCES

Students are expected to come to school prepared to learn and to participate in all learning activities. Any conduct which interferes with the orderly operation of a school and/or interferes with any student's ability to learn is considered inappropriate and may subject the student to disciplinary action.

The *Matrix of Infractions & Disciplinary Actions* specifically identifies prohibited student conduct and lists the range of consequences which may be imposed by the school administrative staff for each infraction.

In conjunction with the use of the matrix, on-going educational and behavioral interventions are to be used to address student conduct concerns.

Possible school level interventions include the following:

1. Conference with student;
2. Conference with parent;
3. Referral to the Student Assistance Team;
4. Student Contract (Behavioral/Attendance);
5. Peer Mediation;
6. Tobacco Cessation Class;
7. Substance Abuse Counseling;
8. OSSA - Out of School Suspension Alternative;
9. Referral to guidance counselor;
10. Assessment by school social worker;
11. Assessment by school psychologist;
12. Referral to SEA Program;
13. Referral to SOS Program; and

When assigning a disciplinary action, the principal or the principal's designee shall give consideration to factors such as the nature of the infraction, the student's past disciplinary record, the student's attitude, the student's age and grade level, and the severity of the problem as it exists in that particular school. Repeated violations may warrant more severe disciplinary action.

A student or parent may appeal to the principal for reconsideration of a disciplinary action; however, the principal has the authority of final review of any such appeal.

Note: Reassignments may be revoked for violations of the *Code of Student Conduct*.

STUDENT/PARENT ACKNOWLEDGMENT FORM
2018-2019

The Code of Student Conduct has been developed to help your child gain the greatest possible benefit from his/her school experiences. This Code of Student Conduct defines the responsibilities and the rights of students attending Charlotte County Public Schools, as well as clearly identifies the consequences for student actions which violate this code.

The school is in need of your help and cooperation. Students, parents, and schools working together can maintain a safe and purposeful atmosphere in the schools where students can learn to their full potential.

Since parents/guardians share responsibility for the actions of their children, they should also become familiar with the rules and expectations described in this handbook. Please read and discuss this important document with your child, then sign this form and return it to your child's school, where it will be kept on file.

I also agree to the rules and terms of network and internet use as outlined in the agreement in this Code of Student Conduct.

Note: Failure to return this acknowledgment form will not release a student or the parents/guardians of the student from responsibility for knowledge of the contents of the Code of Student Conduct and will not excuse noncompliance with the Code of Student Conduct by the student.
The School Board of Charlotte County strongly believes that academic honesty must be practiced by all its students. Therefore, instances of cheating in any form will be considered a critical breach of character and integrity as well as a serious violation of the Code of Student Conduct.

Cheating is defined in the Charlotte County Public Schools in the following way:

"The inappropriate and deliberate distribution or use of information, notes, materials, or work of another person, used as your own, in the completion of an academic exam, test or assignment."

Cheating violations may result in the loss of eligibility for local scholarships, loss of honors, awards, and membership in extra-curricular activities. In addition, a student whose actions enable others to cheat (e.g., stealing or selling a test) will be considered to have committed a particularly serious violation of the Code of Student Conduct which will result in the strongest of consequences related to the nature of the incident including, but not limited to loss of assignment credit if applicable, referral to law enforcement.

My signature on this form indicates that I have read and understand the School Board's policy concerning academic honesty.

Charlotte County Public Schools Acceptable Use Policy/Guidelines for Student E-mail

All Charlotte County Public School students have been provided with a username and password that gives them access to the educational and collaborative tools found in both Office 365 and Google. Your child can use these accounts to access resources that will assist them in their instructional pursuits. These tools include but are not limited to Microsoft Word, PowerPoint, and Excel in the cloud. Students can also log into Google so they can access resources such as Google Drive, Google Forms, and Google classroom.

The only resource that we will not provide to the students by default are email accounts. However, as we move forward to provide our students digital learning opportunities that support academic growth, teachers may wish to secure your permission for their students to have access to their email accounts. There are three levels of use at this time. The default for each student is Level 1 – No email access. Level 2 access is “Domain Only” email. This means that your child will only be able to send and receive messages from other Charlotte County Public School teachers and students. Level 3 access is “Open Access” email. With an “Open Access” account your child would be able to send and receive email from anyone.

Normally we suggest that students who do need email access for classroom projects receive “Domain Only” email access unless they often work on projects that would require them to communicate with students or professionals outside of our school district. Examples of this could be Science Fair projects, History Fair projects, and college applications to name a few.

Below is the CCPS Student Application for email access. As mentioned above, all students have Level 1 access at this time. If at any point throughout the year you receive a request for your son/daughter to receive Level 2 or Level 3 access you will need to select the appropriate box below, sign and return this form to their teacher. If at this time you wish to select Level 0 access (listed below), please make that selection, sign and return ASAP.

CCPS Student Application for email access

Please review each access level below and check the appropriate box for the level you would like assigned to your child. If no choice is submitted for your child they will be assigned Level 1 access by default.

- **Level 1**: This is the Default Level for all students in the district. You DO NOT have to do anything to have your child receive this level of access. At this level your child has a username and password to both Office 365 and Google. They DO NOT have access to email.

- **Level 2**: At this level of access you are requesting that we create an email account for your child. At this level students will be able to send and receive email from other members of the Charlotte County Public School community.

- **Level 3**: At this level of access you are requesting that we create an email account for your child that will allow them to send and receive email from the outside world in addition to the staff and students of Charlotte County Public Schools.

- **Level 0**: This level will only be used if there is a need to remove all of a student's rights to Office 365 and Google by either the parent/guardian or the school district. As your child’s parent/guardian you have the right to choose this option. However, if you do choose this option please know that your child will lose access to resources that may be needed for them to participate in class.
