Sole Source 2425-R Sole Source

Opened: Aug 13, 2024

The District will recognize N2Y as the sole provider of Unique Learning System, as a result of no contests being submitted during this Sole Source. This Sole Source was broadcast nationwide to over approximately 800 organizations.

We will continue to recognize this for 1 year, at which time we will again verify this claim and post another Sole Source for those who may wish to challenge.

Effective dates of this Sole Source are from Oct 19, 2024 – Oct 18, 2025.

n2y is the Sole Source publisher and copyright holder of the Unique Learning System™ online learning solution. ULS is the only comprehensive, modified solution designed specifically for special learners featuring SymbolStix. The dynamic standards-based material is age-respectful and developed from the ground up specifically for individuals with special needs.

n2y® is the Sole Source publisher and copyright holder of the News2you™ current events newspaper. This digitally delivered newspaper serves beginning readers of all ages and individuals with special needs. Published weekly, News2you addresses a wide range of reading comprehension skills using interactive standards-based content. News2you utilizes the highly regarded, copyrighted SymbolStix symbol set throughout the newspaper, providing visual reinforcement of all topics covered.

n2y is the Sole Source publisher and copyright holder of the SymbolStix PRIME® web-based communication, authoring, and learning tool. Subscribers can author accessible, online interactive activities, supports, and communication aids and assign them directly to students. n2y does license SymbolStix symbols to other vendors for use in complementary non-similar products in the education, communication, or technology markets.

n2y is the Sole Source publisher and copyright holder of the L3 Skills® online independent practice resource. L3 Skills provides student-led academic and transition skills-based practice that allows individuals with special needs to master important educational concepts and lifelong learning through a variety of interactive games. These materials can then be utilized in the classroom and with a variety of assistive technology devices.

n2y is the Sole Source publisher and copyright holder of the Positivity® classroom management and positive behavior tool. Positivity digitally delivers prescribed interactive behavior strategies directly to a student via one-to-one and classroom technology. Positivity also allows teachers to assign event-specific delivery times for behavior strategies and provide them within the event or context in which the student needs the support.

n2y is the Sole Source publisher and copyright holder of the Polaris® educational plan development and management tool. Polaris allows educators to synchronize the entire IEP team with a seamless, time-saving, collaborative platform for building student roadmaps and managing compliance, from planning and writing, through execution and reporting.

n2y is the Sole Source publisher and copyright holder of the n2y Math Manipulatives Kit®. The kit offers educators multisensory, hands-on learning tools for measuring, counting, sorting, patterns, and much more.

n2y is the Sole Source publisher and copyright holder of the Inspire® intervention curriculum solution. Inspire provides educators with a teacher-led and independent skill-based intervention curriculum to boost the success of Response to Intervention (RTI) programs and IEPs.
