Birthday Celebrations at Meadow Park Elementary

Dear Meadow Park Families,

After much thought and consideration, we have decided to implement a Birthday Celebration Policy. Families are encouraged to celebrate birthdays at home. However, if you wish to recognize your child's birthday at school, we ask you to adhere to our Meadow Park Birthday policy.

We understand that your child's birthday is a special day for him/her. We recognize each child on their day by announcing their name on our morning news announcement (MPTV) and giving them a special birthday gift.

Meadow Park Birthday Treat Policy

1. Parents may send in a healthy treat (fresh fruit, popcorn, pretzels, crackers, etc.) to be served as a snack in the cafeteria during their lunch. These should be individual servings.
2. Parents may send or bring in store-bought **MINI**-cupcakes or cookies. These will be served to the students in your child's class in the cafeteria during their lunch.
3. Please inform your child's teacher in advance of your intentions for the celebration of your child's birthday. The teacher can then inform you of any allergies and their total headcount in their class.

Please remember that we can only pass out invitations to parties if they are sent either to the whole class or to all students of the same gender. This helps prevent hurt feelings when only a few are invited to a party. Also, we ask that **goodie bags not be sent to school**.

Thank you for your support in this matter.

Sincerely,

Matthew Loge
Principal
