

The Meadow Park Family Reading Experience

Located in Room 125 inside the media center

Book Checkout Schedule 2021-2022

THURSDAYS

2:50-3:30

FRIDAYS

7:45-8-8:15

***An adult MUST accompany a child to the Family Reading Experience**

Come in and pick up your FREE keeper book each week!

What is the Family Reading Experience? Meadow Park supports your desire to enhance your child's reading and writing skills. The Family Center is an exciting place for young readers, and is full of great books. We promote reading as a fun-filled, thrilling adventure for children and their families. We look forward to welcoming you and your family each week.

What is Book Check-Out? When you visit the Center, staff will welcome you and offer assistance as you help your young reader to select wonderful books to take home and enjoy. You will find a variety of books geared to your child's reading abilities and parent resource materials. We also have special activities throughout the school year for both you and children.

What if my student is in iStay before after school? Please contact Mrs. Underwood for a SPONSOR FORM. Once your form is completed and turned in, your child will be able to visit the Family Center under the supervision of Mrs. Underwood and/or a parent volunteer before heading to iStay.

What is a keeper book? Each child who attends receives the gift of a FREE new "keeper" book every week. This is a good way to build a home library. Families also enjoy special fun events, exciting guests, and many surprises throughout the year.

Title I Schools: Helping Children Learn More

What is Title I?

Title I is the nation's largest government program for schools. Its main objective is to provide funding to increase student achievement.

What does Title I do for Schools?

Title I gives extra money to schools that have a large population of low-income students. This helps ensure that all students get an A+ education. Title I money helps:

- Support student learning through additional funding for activities
- Give more training to teachers
- Get parents more involved

How do schools use Title I money?

- Hire extra teachers
- Give staff more training
- Host activities for parents
- Buy more teaching materials

Title I Schools need your help!

- Attend school meetings and activities
- Talk to your child's teacher
- Read at home with your child
- Get other parents involved
