

# Welcome to OptumRx.

Starting January 1, 2021, OptumRx will be your new pharmacy benefit manager. OptumRx provides easy and cost-effective ways to get the medication you need.

Filling prescriptions with OptumRx will be easy.

- Get the medications you take regularly through our OptumRx<sup>®</sup> home delivery service.
- Use our large pharmacy network to fill your new and existing prescriptions.

Take a specialty medication? Use Optum<sup>®</sup> Specialty Pharmacy

- Optum Specialty Pharmacy provides resources and personalized support to help you manage your condition.

Manage your medications online.

- After your coverage starts, use our mobile app or **optumrx.com** to help you manage your medications. You'll be able to find a network pharmacy, check medication coverage, track delivery orders and more.
