

A Charlotte County Public School

---

July 15, 2022

Dear CVS families:

Welcome to Charlotte Virtual School. We are looking forward to a new and exciting school year! Charlotte County Virtual School is happy to serve the educational needs of our students and families. We look forward to a successful educational partnership in order to ensure success for all of our students!

My name is Maggie Miquel, and I am an Assistant Director at Charlotte Technical College. One of my responsibilities is providing support for Charlotte Virtual School. My family and I relocated to Charlotte County from Osceola County in April of 2022. I am excited to part of the Charlotte County community and look forward to getting to know each of you and your students.

We invite you to be a collaborative part of your student's experience at Charlotte Virtual School. We will be hosting eight SAC (School Advisory Council) meetings and would love to have you join us. The meeting dates and times will be posted on our website. Your participation helps provide valuable input as we work together to create an impactful experience for our students.

Please do not hesitate to reach out to myself, Leanne Fahey (CVS Program Manager), Lucinda Rempala (CVS School Counselor), or any of your student's teachers should you have any questions, concerns, or thoughts to share. We will be happy to support you in any way we can. Let's make it a great school year!

Professionally,

Maggie Miquel

# Charlotte Virtual School Full-Time

## Conditional Enrollment/Re-enrollment Agreement

As the parent(s)/guardian(s) of \_\_\_\_\_

I understand that Charlotte Virtual School (CVS) is a school of choice and during the first 21-days of my child's enrollment, teachers will evaluate his/her performance based on the CVS required enrollment conditions listed below.

Conditions defining a successful online student:

- 1) Consistent parent/guardian supervision of student
- 2) Maintaining pace in all courses – turning in assignments by due dates
- 3) Daily engagement in course activities
- 4) Establishing regular communication with **ALL** teachers (email/phone/text/ZOOM)
- 5) Earning and maintaining grades of “C” or higher in all courses
- 6) Earning appropriate credits/standards for end of year grade promotion
- 7) Participating in all district/state standardized testing/progress monitoring
- 8) Earning proficient scores on required end of year state assessments (in order to re-enroll in CVS)
- 9) Honoring **ALL** rules and procedures established by Charlotte Virtual School and Charlotte County Public Schools for student conduct, academic integrity, and netiquette (online etiquette)

Students demonstrating difficulty as an online learner will be required to attend a parent conference to determine if online learning is the best academic environment. Students may also be placed on an academic contract with additional stipulations.

If during the initial 21-days, it is determined by the CVS staff that my child is not recommended for online education, he/she will be recommended to return to his/her assigned school or pursue a different instructional venue, with no grade penalty. If I choose to keep my child enrolled after the 21-day grace period, and CVS has not recommended him/her for online education, I understand that this may result in failing grades and possible future withdrawal for which I will not hold CVS responsible.

Parent/teacher conferences will be required for students who earned below proficiency assessment scores. Students will be required to attend ZOOM instructional sessions, as determined by each course instructor. Students and parents will be required to meet one on one with subject specific teachers to discuss progress monitoring and goals for each semester.

Students who fail to work regularly or adhere to the pace chart will be required to attend ZOOM sessions with the instructor.

Students who are behind pace or have a “D/F” in **ANY** virtual course beyond the 21-day grace period will be required to attend the remaining PACE labs for the semester (dates/times posted on the CVS website). Failure to participate in PACE labs will be grounds for withdrawal from CVS at the end of the semester.
