

# WELCOME BACK TO SCHOOL

Dear Families:

Welcome to the 2021-2022 school year. My name is Mrs. Andres and I will be your child's special education teacher. I will be working with your child on his or her Individualized Education Plan (IEP) goals. Services will be provided by pushing into third and fifth grade classrooms to work on individualized goals in small group settings. I am excited to work with your child this year and I believe working together will ensure your child's success. I look forward to seeing the progress that will be made by working as a team. Please feel free to contact me if you have any questions or concerns. I will always be happy to help. Be sure to check out my website for some academic resources.

I can be reached via:
