About Mrs. Scott

Welcome!! I am very excited to be on this journey with you. This is my 4th year teaching here in Charlotte County but this is my first year here at L.A. Ainger. I am very excited to be here. I was born and raised in Ohio and moved to Florida in 2020. I graduated from Bowling Green State University in 2020. I moved to Charlotte County that summer to start my teaching career. My first year I taught 1st and 2nd Grade in a CD unit. The last 2 years I have taught 5th Grade. I have always loved math and decided math is my passion which is what brought me here today. I am very passionate about instilling a love for math in ALL students. Please do not hesitate to reach out with any questions or concerns throughout the year. Thank you for being here!
