**Charlotte County School Board Members elected to Florida School Board  
Association Leadership**

Tallahassee, FL – On Thursday, June 18, 2020, the Florida School Boards Association (FSBA) held a virtual General Membership Meeting to conduct business typically handled face-to-face at the FSBA/FADSS Annual Summer Conference in Tampa. The annual event was cancelled due to COVID-19.

As school board members from across the state logged in, the association presented the 2020-21 leadership slate selected by the FSBA Nominating Committee. Local Charlotte County School Board Members elected are Wendy Atkinson, Treasurer, Kim Amontree, Board of Directors and Cara Reynolds, Alternate Board of Directors member. Kim Amontree will also serve as the Vice Chair of the Advocacy Committee and Cara Reynolds will be the Charlotte County Representative to the Advocacy Committee.

“Congratulations to our Board Members being selected for leadership positions. It is incredibly important for Charlotte County to have a voice at the state level and this clearly gives us one,” said Steve Dionisio, Superintendent of Schools.

The Florida School Boards Association (FSBA) provides leadership development opportunities and a vast network for school board members to preserve their mission: to increase student achievement through the development of effective board leadership and advocacy in public schools. To learn more, please visit [www.fsba.org](http://www.fsba.org) and follow @FLSchoolBoards.
