Sole Source 23/24-EE

Opened: January 25, 2024

The District will recognize Learning Labs as the Sole Source for the NIDA Model 130ST trainers and all printed circuit boards and software used in the operation of these systems, as a result of no contests being submitted during this Sole Source. This Sole Source was broadcast nationwide to over 430 organizations.

We will continue to recognize this for 1 year, at which time we will again verify this claim and post another Sole Source for those who may wish to challenge.

Effective dates of this Sole Source are from January 25, 2024 – January 24, 2025.

To whom it may concern:

Nida Corporation is a small business engaged solely in the development of courseware and the design and manufacture of Electronic Training Systems. For the past fifty-two years, Nida has supplied high schools, vocational training centers, community colleges, industry, and military facilities with training systems.

We operate with a published price list, that is across the board pricing for everyone. We are the **MANUFACTURER AND SOLE SOURCE** of the Nida Model 130ST trainers and all printed circuit boards and software used in the operation of these systems.

Our hardware excels in ease of operation, and our (CAI) Computer Assisted Instruction is the most sophisticated electronic training software on the market today.

The Nida representative serving the state of Florida.
