

Charlotte County Public Schools,

I would like to introduce myself; my name is Kari Antman. I am your Member Success Manager from E&I and will serve as your day-to-day contact to provide support, answer any questions, and ensure a consistently easy and enjoyable member experience.

If you would like to connect and get a better understanding of my role, your institution's membership/spend, and/or E&I in general just let me know a time! I would also be glad to give you a tour of the E&I website, where we have added many new contracts and resources since the start of the pandemic. I can also give you an update on new contracts, our Strategic Spend Assessment, and our new e-procurement solution!

I look forward to working together toward your success! Feel free to reach out anytime!

Thank you,

**Kari Antman**
