

## *2021 School Social Work Week - March 7-13, 2021*

The School Social Work Association of America is proud to promote National School Social Work Week. "Beacon of Hope: School Social Workers – Lighting the Way" is our theme for School Social Work Week 2021. In our role, School Social Workers are able to light the way, emphasizing the whole child, collaborating with other professionals, linking students and families with needed services, and advocating for our profession.

Enjoy and hope you have a Happy School Social Work Week!!!
