3. Obtain proof of insurance for your athlete.
- 4.. Sign the Middle School Athletic Mission Statement Sheet.

Middle School Athletic Mission Statement

By choosing to participate in **Middle School** sports, you are now one of the most visible students on and off campus. You are expected to represent your Middle School with proper behavior and effort. In every area of your life, you should strive to do your best and never quit. Our coaches and staff want you to represent yourself and your school with passion, pride, and have a relentless desire to succeed.

- Remain polite, professional, confident, and humble in all situations
- Compete relentlessly in the classroom and in your competitive arena
- Attend school and be on time to classes
- Earn above a 2.0 grade point average - the 2.0 grade point average is needed to “try-out” for the team and must be maintained to remain on the team
- Follow CCPS Code of Student Conduct
- Stay away from criminal activities (on and off campus)
- Do not use or be around alcohol or drugs (on and off campus)
 - Including a signed extracurricular consent form from parent/guardian and student

Failure to meet the above actions will be dealt with accordingly by school administration as per the Code of Student Conduct. You may also face additional disciplinary action by your head coach.

*I have read the Middle School Athletic Mission Statement and understand the expectations placed upon athletes. I accept these expectations and will take advantage of the opportunity to further myself through athletics. **Please note that Middle School Athletes are transported by District School Buses to locations exclusively within Charlotte County. Additionally, the middle school sports program does not have any events that require overnight lodging. Parents can obtain a game schedule by visiting the Parents & Students Tab located on the district website (yourcharlotteschools.net).***
