School Wide Programs

School Wide Programs

- ⦿ Our students are in a Title I School-wide program. This means that our Title I money can be used to upgrade the educational program in ways that may impact every student in the school .
- ⦿ This also means that **every family of a student in our school is a Title I family!** The schools set goals for improvement, measure student progress, using standards set forth by the FL DOE, develop programs that add to regular classroom instruction, and involve parents in all aspects of the program.
