

March 12, 2020

This is Steve Dionisio, Superintendent of Charlotte County Public Schools. As Spring Break approaches for students, I am calling to provide an update regarding the Coronavirus Situation. At this time, CCPS has no students that have tested positive for Coronavirus. The school district is maintaining daily communication with the Department of Health to ensure that any student that has been exposed to or potentially exposed to COVID-19 is excluded from school and only returns with the proper written documentation from their Health Care Provider or the Department of Health.

It is important to note that all school related out-of-state travel has been cancelled upon the recommendation of the Florida Department of Education. If we receive any additional recommendations pertaining to the coronavirus, we will be sure to communicate with you as soon as possible.

The Department of Health Call Center is available at 1-866-779-6121 for any questions or concerns.

Once again, your child's health and safety are our primary concern. Have a safe and relaxing Spring Break.
