This is Steve Dionisio Superintendent of Schools.

I am calling with a reminder for parents and guardians.

The Commissioner of Education has instructed School Districts to launch an Instructional Continuity Plan on Monday, March 30<sup>th</sup>.

Please visit our district's website to access the Charlotte County Schools Plan as well as additional information such as teacher contact hours, which have now been posted.

If your child is having difficulty logging in please contact your child's school for assistance. We will continue to do everything possible for those struggling with internet connectivity including leaving the gates open at all school sites to use the Wi-Fi as well as partnering with local businesses to use their Wi-Fi. As we add business partnerships, we will post them on our district website.

Again, the Instructional Continuity Plan begins Monday, March 30<sup>th</sup>.

Thank you in advance for your continued patience during this new education model.

Thank you
