This is Steve Dionisio Superintendent of Schools.

I am calling with an update for staff and parents

The Commissioner of Education has instructed School Districts that schools will now remain closed until May 1st instead of the original date of April 15.

Again, the Instructional Continuity Plan that began today will now remain in effect until at least May 1st instead of the original date of April 15.

Thank you in advance for your continued patience as information become available I will get it to you.

Thank you
