

4/17/20

This is Steve Dionisio Superintendent of Charlotte County Schools.

I am calling with a message for staff, parents and students

As we conclude our third week of online learning, I want to once again thank all of you for your patience and hard work.

A couple of updates:

We have new information on the district websites pertaining to the district's no final exams policy and how grades will be calculated. Please go to the website to become familiar with these.

In addition, for safety and security reasons, the school district monitors the internet of any computer or Chromebook that is district owned.

Please note, that any student who was issued a **district owned** Chromebook or Laptop during this period of online learning will have those devices monitored for potential threats to themselves or others.

Once again, this only applies to district owned technology.

Again thank you in advance for your continued patience and cooperation.

Please Stay home and stay safe.
