

Hello, this is Steve Dionisio, Superintendent of schools. This message is for all staff, parents and students.

I want to let all of you know that at the School Board Meeting earlier tonight the School Board approved my recommendation to make masks optional effective tomorrow morning.

Again, effective Wednesday, June 16, masks are optional by everyone on school premises.

I want to once again say thank you for all you have done as a staff, as students, and as parents to assist the CCPS Community to navigate this challenging year.

Stay safe and have a great summer.
