

Vision: All Charlotte County Public Schools staff members share a collective responsibility to participate in continuous professional learning resulting in excellence in teaching and learning to achieve student success.

Mission: Charlotte County Public Schools is committed to high quality effective standards-based professional learning to build capacity at every level resulting in staff and student success.

Beliefs:

- Professional learning that improves educator effectiveness is fundamental to student learning
- All educators have an obligation to improve their practice
- More students achieve when educators assume collective responsibility for student learning
- Successful leaders create and sustain a culture of learning
- Effective school systems commit to continuous improvement for all adults and students
