Grade Policy

Total Points

In this course, we will be utilizing a “total points” grading system. This means that each assignment/paper, quiz, project, or activity will be assigned a specific point value, and your final grade will be determined by the total number of points you earn throughout the semester. This approach offers simplicity and transparency, allowing you to easily track your progress and understand how each task contributes to your overall grade.

Category	Point Value
----------	-------------

$$\frac{\text{Total Points Earned}}{\text{Total Points Possible}} = \text{Final Grade}$$

Shakespeare in the Park Selections	10 - 20
Performances	100
After School Rehearsals	25
In Class Performance Assessments	30
Class Rehearsal	10

Make Up Work

Completion Deadline

In accordance with our school policy, students are expected to submit assignments by the designated due dates. However, we understand that unforeseen circumstances may arise that could hinder the timely completion of work. It is the STUDENT's responsibility to collect any missed work. Per county policy, a student will have two days to make up work from one absence. Students with an excused absence will not incur a deduction in points within this timeframe but unexcused students may have up to 30% deducted. **Late submissions will not be accepted past three weeks from the original due date at the discretion of the teacher and with possible point deductions.** Students need to communicate any difficulties they encounter in meeting deadlines with their teachers as soon as possible. This policy aims to foster responsibility and accountability while still providing students with the opportunity to demonstrate their learning and mastery of course material.

Test Repair

At our school, we believe in the importance of continuous learning and improvement. Therefore, all students are provided with the opportunity to make test repairs following their initial assessment. This policy allows students to reflect on their performance, identify areas for improvement, and strive for mastery of course content. It's essential to note that this opportunity is not extended to essays or projects that involve rough drafts or progress checkpoints, as these assignments already provide ample opportunity for revision and feedback. Students have one week from the date of receiving their graded test to initiate the repair process. Repair sessions may be scheduled before or after school, but not during regular class time. Additionally, students have the option to complete their repairs under the supervision of a proctor in the media center during tutoring sessions. Upon successful completion of the repair, students will earn points at the discretion of the teacher. This provides a tangible incentive for engagement in the improvement process and reinforces the value of ongoing learning and growth.

Attendance

Attendance is vital for student success and engagement in our learning community. As per our school policy, students are expected to attend all classes regularly and punctually. In the event of unavoidable absences, it is the responsibility of the student and their guardians to notify the school promptly. **Students who miss more than 20% of instruction will be prohibited from participating in school events such as extracurricular activities i.e., homecoming, prom, athletics, band, ROTC, theatre, and chorus.** Research has shown that 10% or more of instructional time missed by students (Pre-K to grade 12) is an early warning indicator for possible academic struggles; this measure is used to define chronic absenteeism nationwide. Florida Statute 1003.24 and School Board Policy 5200.

After the first seven days of absences, a letter will be issued to the student and their parent/guardian as a reminder of the importance of consistent attendance. This communication serves to encourage students to prioritize their education and take proactive steps to address any barriers to attendance they may be facing.

Should a student accumulate ten or more days of absences, a second letter will be issued, emphasizing the need for immediate action to improve attendance, the need for documentation, and the potential consequences of continued absenteeism.

***Please note that for AICE and AP courses, a student who misses more than 20% of period attendance will be responsible for the cost of the assessment and possible removal from the class.**

Furthermore, it is crucial to note that excessive unexcused absences will result in a significant impact on academic performance. Any assignments or assessments missed during unexcused absences will incur a penalty of up to 30% off their grade. This policy underscores the importance of regular attendance and emphasizes the correlation between consistent attendance and academic success. It is our collective responsibility to support students in maintaining attendance habits that foster their learning and development.

Classroom Policies and Procedures

Course Requirements and Grading

FOCUS AND GRADE REPORTING: Please note that your grade on Focus can be inaccurate without all grades recorded, especially during the beginning of a quarter. Many of the projects take multiple weeks or more to complete and are a big part of your grade! I record project grades as they are completed. If a major project is not completed by the deadline, you will receive an NHI until completed.

TEAMS: I use Microsoft TEAMS to post rehearsal calendars, audition information, handouts, and any other relevant information. This is available via an app and via classlink. Students log into TEAMS with their student email and password. We will also be going over how to access TEAMS in class as the first time logging in through classlink can be tricky. If you have missed class presentations/instruction, you will be able to catch up using these resources.

A. Shakespeare in the Park Selections: Our February performance is “Shakespeare in the Park.” This performance will consist of scenes, monologues, pantomimes, and original interpretations, etc. based on the works of William Shakespeare. Students are **REQUIRED** to do at least **TWO** selections (can be solo or in a group) for this performance. These will be worked on in class and at home. There will be a few after school dress rehearsals the week of the performance.

B. Class Rehearsals: This is a **PERFORMANCE-BASED** class. Punctuality, time management, behavior, room maintenance, respect, and overall professionalism comprise a significant part of your final grade. Students are expected to work at all times. Being off task (doing homework for other classes, inappropriate behavior, wandering around classroom socializing, cell phone use, abuse of materials and not cleaning up) will result in loss of points. We will be doing a lot of rehearsing in class.

Note: Your attendance may be averaged into this grade, if you are not here, then you are not being productive in class. You may re-earn these points from absences by making up the work following school policy, this may mean you’ll need to stay after school. Speak to me about arrangements and special situations.

C. After School Rehearsals: Students are expected to be at ALL rehearsals they are called for. Dress rehearsals are MANDATORY (*Seussification of a Christmas Carol and Shakespeare in the Park*). Missing any of these rehearsals will result in loss of points. A tentative rehearsal schedule will be sent home with students within the first few weeks of school and other schedules will subsequently follow. Emergencies or concerns should reach out to Mrs. Barber directly. I will try to be as flexible as possible. Life does happen, but theatre is a team effort, and when people are missing it affects everyone involved.

**NOTE: We will also have a google form if a student needs to request an absence. This form will send a formal copy of the request to Mrs. Barber and the parent. Submitting the request DOES NOT guarantee the absence will be fully excused. Please refer to the code of conduct for what is deemed an “acceptable” excused absence. This form can be found in TEAMS, lbhstheatre.net, and <https://www.yourcharlotteschools.net/site/Default.aspx?PageID=30626>).*

D. Performances: We have 2 performances during the school year that students are REQUIRED to be a part of. This means they will also be responsible for being at all assigned rehearsals.

**NOTE: Please understand that by being in a cast there is an entire group of people who are dependent upon students showing up to do their part. It takes a lot of time and effort to put performances together, so students are expected to be active, prepared participants, be respectful and be a team player.*

** If there is evidence that a student is unprepared (i.e. does not know lines, blocking, etc.) then that student will have their performance piece pulled or the student will be pulled from the show entirely with points being deducted. Laziness or “the bare minimum” will not be tolerated.*

E.) In Class Performance Assessments: We will have several in-class performance assessments in order to build on the skills being taught. These include, but are not limited to monologues, duet scenes, pantomimes, lip syncs, etc. These assessments are to be viewed as a way to practice learned skills in a safe and encouraging environment. Assessments will be judged by rubric. Rubrics will be available in TEAMS for students to review and use as a guideline. I know this can be seem terrifying to first time performers, but the more they practice, the easier it gets.

DON'T FEED REMY (aka ROOM MAINTENANCE): Students are responsible for keeping their chair areas clear. Any food, drinks, etc. are to be thrown away. Failure to follow this policy will result in WATER ONLY for all students. We don't Remy and his buddies making a home in our room.

BEHAVIOR: Theatre is a challenging, yet rewarding experience that may call for new degrees of patience, imagination and cooperative working. Students are expected to be respectful, responsible and cooperative. Students are expected to follow the directions and to complete tasks as instructed by the teacher, using good taste and judgment. When anyone performs, encouragement, positive attitudes, and constructive criticism are a REQUIREMENT. This ensures that everyone feels comfortable in their performances.

**Projects containing subject matter relating to gangs, inappropriate slurs to a group of people, drugs or alcohol, vulgar or violent imagery will not be accepted for grading. If you are not sure about your idea, ask first.*

For the safety of all students, throwing of any objects, is forbidden at all times. Any student who throws an object will receive a referral to the dean's office. If a second incident occurs, it will be requested the student be permanently removed from the class. This policy has been discussed with the class as a whole and reminders are posted.

Theatre is not an “easy A”

This class is interactive and requires proper time and preparation, and your ability to apply knowledge from other disciplines.

It takes hard work, but hopefully you will find that work enjoyable and rewarding!

I look forward to getting to know you and seeing how you will solve those creative challenges ahead!
